Confirmation of Compliance

March 10, 2022

Mattel and Fisher-Price each represents and warrants as stated in their respective Standard Terms and Conditions of Sale, to customers purchasing products from it during calendar year 2022 for U.S. distribution that such products comply with all applicable U.S. state and federal product safety and labeling laws and regulations.

This includes applicable product testing and certification requirements per the Consumer Product Safety Improvement Act of 2008 (CPSIA), as well as:

- Sec. 103 of CPSIA, Tracking labels for children's products.
- United States Federal Hazardous Substances Act (FHSA) and associated regulations
- United States Consumer Product Safety Act (CPSA) and associated regulations
- United States Child Safety Protection Act (CSPA) and associated regulations
- Applicable sections of 16 CFR (US Code of Federal Regulations)
- ASTM F963, Standard Consumer Safety Specification on Toy Safety
- California's "Proposition 65" ("Prop 65")
- California's Toxics in Packaging Prevention Act, codified at California Health and Safety Code Section 25214.11 et seq.
- The Toxic Free Toys Act, Albany County, New York

For state chemical regulations that require reporting (i.e., Washington, Oregon, Vermont, etc.), Mattel will complete all required state-level reporting

A Certificate of Compliance is available for all such products upon request. If you have any questions regarding product compliance with the standards referenced above, please contact Kevin Nguyen at (310) 252-4118, or Kevin.Nguyen@mattel.com.

Sincerely,

Heather Capell Bramble
